

Human Rights Statement

At Modus Projects, human rights, dignity, and respect are at the heart and integral to our core values. We prioritise the safeguarding of every individual's identity, promoting equality, regardless of background, ethnicity, age, sexual preference or identity, demographic, and socio-economic status. We embrace our responsibility to provide a safe, inclusive, and harmonious workplace, collaborating with our team and enforcing zero tolerance for the defiance of these principles.

If you have witnessed a breach of Human Rights violation, [click here](#) to report it.
